溫馨提醒同學們，若有同學無法於3月2日開學之前順利返校，成功大學已經啟動成大學生安心就學方案，透過線上註冊與選課、線上課程與評量、彈性修業機制等多元方式進行修課，全力協助學生可以如期完成課業。

A warm reminder, if you cannot return to school before the school start date of March 2nd, the "Study at Ease Project" launched by NCKU can help you. Through multiple education methods, such as online registration and course enrollment, online education and assessment, and flexible study mechanism, NCKU endeavors to assist students to complete study as scheduled.

依據近日國際處與大陸姊妹校的聯繫結果，多所大陸姊妹校皆回覆因疫情影響開課日期延遲未定，其原本在籍學生的學業安置尚待安排，因此恐怕目前無法接受其他學校學生選修課程。因此校方仍然建議同學們透過本校安心就學方案所提供之線上修課等方式來接續學業。如果陸生同學有問題請儘量與系上討論，教務處也很願意提供諮詢及協助，如果碰到其他困難亦可向國際處僑陸組尋求協助。我們隨時都在這裡。

According to the recent contact results between the Office of International Affairs and NCKU's sister universities in mainland China, many sister universities have responded that their school start date has not been determined due to the impacts of the epidemic. As the placement of their original students has yet to be arranged, they may not be able to accept more students from other universities now. Therefore, NCKU still recommends that students continue their studies through the online courses provided by the Study at Ease Project for NCKU Students. If students from mainland China have any questions, please feel free to discuss with the department. The Office of Academic Affairs is also willing to provide advice and assistance. If you encounter other difficulties, you can also seek for help from the Overseas and Mainland Chinese Students Affairs Division, Office of International Affairs. We are always here for you.
