# NCKU · Featured Research Centers — Admission Information

## NCKU International Master's Program in Interdisciplinary Sustainability Studies

 Quota: 1  
**General Interdisciplinary**  
(Original Group)

 Quota: 3  
**Bioelectronic Medicine**

 Quota: 5  
**CubeSat**

 Quota: 20  
**Cybersecurity Technology**

 Quota: 3  
**Quantum Frontiers**  
**《Note》**  
Contact faculty members in advance to ensure the availability of a suitable advisor upon admission.

 Quota: 5  
**Resilience & Intelligence on Sustainable Energy Research**  
**《Note》**  
Applicants must possess a bachelor's degree in an **engineering or science-related discipline**.

**《Note》**

- Required to have a basic ability in programming**  
(C/C++, Python or Java, etc.)
- Completed a course in Data Structures**  
(preferably Algorithms)
- Completed at least one of the following courses:**  
Computer Architecture / Operating System / Database system  
Programming Language / AI or Machine Learning / Computer vision  
Computer Network (Distributed System)  
Natural Language Processing Cryptography

### We highly encourage all students apply for scholarship:

1. NCKU Scholarship : Full Tuition waived (including basic credit fees) plus a monthly scholarship.
2. Government Scholarship : MOE Elite Scholarship (NTD25,000/month), MOFA Taiwan Scholarship (NTD33,000/month)

# 2026 NCKU AISSM Semiconductor Summer School

July 28 - August 7, 2026

NCKU, Tainan, Taiwan

**Course:** (choose one from the following)

- A. Digital IC Design and Synthesis (3 credits)
- B. Analog IC Design and Layout (3 credits)
- C. Advanced Semiconductor Manufacturing and Packing Testing (3 credits)

**Language:** All courses are offered in English

**Participants:** Max. of 25 students/ course

**Appropriate level:** Senior undergraduate and fresh graduate students

**Completion:** NCKU transcript, certificate

**Remark:** Course A and Course B have prerequisite requirements.

- ✓ *Lab Work & Hands-on Training*
- ✓ *International Diversity*
- ✓ *Industry Experts*
- ✓ *Research Center & Institute Visit*

Nomination  
Period

January, 2026 – March, 2026

# 2026 Summer Program in NCKU College of Medicine

## East Meets West:

### Holistic Strategies in Precision Geriatric Care - The Taiwan Experience

 **Period:** July 6 to July 17, 2026

 **Application Deadline:** May 3rd, 2026 (Sun)

 **Course Focus:**

- Asian Culture in Healthcare
- E-Technology in Geriatric Healthcare
- Rural Healthcare in Taiwan ( Including Site and Company Visits)

**East Meets West**  
**Holistic Strategies in Precision Geriatric Care**

2026 NCKU International Summer School 

**July 6th - 17th, 2026** 

NCKU College of Medicine, Tainan, Taiwan

**COURSE FOCUS**

- Asian Culture in Healthcare
- E-Technology in Geriatric Healthcare
- Rural Healthcare in Taiwan (Including Site and Company Visits)

**600 USD**  
(World Bank classified high & upper-middle income economies)

**450 USD**  
(World Bank classified lower-middle & low-income economies)  
Includes: tuition, double-occupancy accommodation, cultural activities

Single room: additional + 400 USD 

 **Apply Now**  **Deadline: May 3rd, 2026**

**Further Information**

# NCKU- Taiwan-Europe Connectivity Scholarship

Funded by the Ministry of Foreign Affairs (MOFA)

Exclusively for European students!

Supported Programs:

## Exchange Student Program

Spring term Feb. – Jun.

Autumn term Sep. – Jan.

Stipends TWD\$17,000/month

TOTAL AMOUNT ≙ Max. EUR€2,550

## Summer School Program

Period Jul. – Aug.

Air Ticket TWD\$30,000

Stipends TWD\$25,000/month

TOTAL AMOUNT ≙ Max. EUR€2,400

## Short-term Internship Program

Period Whole Year

Air Ticket TWD\$30,000

Stipends TWD\$25,000/month

TOTAL AMOUNT ≙ Max. EUR€2,400

## Chinese Language Program

Period Spring/Summer/Autumn/Winter

Stipends TWD\$20,000/month

TOTAL AMOUNT ≙ Max. EUR€1,800

# IIPP (NSTC International Internship Pilot Program)

This program provides foreign students with the opportunity to engage in R&D activities at top local research institutions, along with living subsidies. Interns can gain access to our cutting-edge labs on Taiwan's Island of Silicon

## SUBSIDIES ITEMS

- ▶▶ NSTC provides each participant with a **daily subsidy of NT\$1,000 (about USD 30)** for up to 3 months during the internship period.

## DURATION

- ▶▶ The internship can last **up to 3 months**, with students able to arrange their schedule based on their academic requirements.
- ▶▶ The start date for the internship will be determined according to the official website : <https://iipp.stpi.niar.org.tw>

## ELIGIBILITY

- ▶▶ **Undergraduate** and **graduate** students of foreign nationality, who meet the criteria for specific fields listed on the official website.

## APPLICATION AND MATCHING PROCESS

- ▶▶ All candidates must complete and submit application online : <https://iipp.stpi.niar.org.tw/institute/29>

IIPP detail info

# TEEP (Taiwan Experience Education Program)

Since 2015, Taiwan's Ministry of Education launched the Taiwan Experience Education Program (TEEP) to encourage international students to participate in short-term professional internship organized by Taiwanese universities and colleges.

## SUBSIDIES ITEMS

- ▶▶ Taiwan's ministry of education provides each participant with a **monthly subsidy of NT\$15,000 (about USD 478)** for up to 6 months during the internship period.

(Effective *March 2026*)

## DURATION

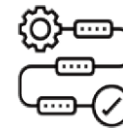

- ▶▶ The internship can **last up to 6 months**, with students able to arrange their schedule based on their academic requirements.
- ▶▶ The start date for the internship will be determined according to the official website :

<https://teep.studyintaiwan.org/about>

## ELIGIBILITY

- ▶▶ **Undergraduate** and **graduate** students of foreign nationality

## APPLICATION AND MATCHING PROCESS

- ▶▶ Find your desired program on the website and reach out to the PI via email.
- ▶▶ Programs are listed at :  
<https://teep.studyintaiwan.org/search/CHENG%20KUNG>

THANK YOU
