Health check->Register->Knowledge test->Road test->Lecture->Get license

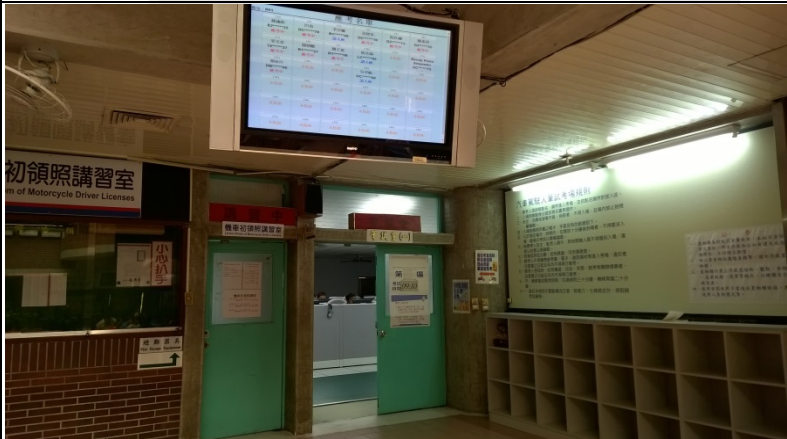

Step 1: Go to Li-Lin Clinic (立霖診所) to do health check, NT\$150. (台南市東區崇德路 42 號)

Step 2: Go to DMV building at 2F, register for license's test (park your scooter in the parking lot)

Step 3: Register for the test. Need to prepare: ARC, Passport, copies of ARC (both sides), copies of entry stamp on passport, health check report, and NT\$250.

If you forget to make photocopies, you can go to **1st floor (central area)** and make it. (Put coins then you can use it. NT\$2 for 1 page)

Step 4: Wait for driver's knowledge test. The screen will show you're the seat, Chinese name, and ARC number. Words in blue means you can enter the classroom.

Step 5: After knowledge test, you will get your transcript immediately. Achieving 85 points can join the road test. If you don't pass it, please do it again 7 days later.

Road Test Simulation Animation
<https://www.facebook.com/311145242353662/videos/902066029928244/>

Step 6: Go to road test field (機車考照處) with your scooter. See how other people do it before your turn.

Step 7: Hand in your transcripts of driver's knowledge test to DMV staff. Ready to GO!

Safety Education Lecture - After the lecture, submit your ARC, one picture and NT\$200. You can get your driver's license.

Congratulations!
